

Request for Regional Variance

To request a variance to compete in a region other than the region your school is located in, please complete this form and email it to registration@nccdc.org. Please note variances are only approved based on travel distance. If your school is 600 miles or 12 hours away from your home region, you may request to compete in a geographically closer regional or a virtual regional.

Name of University or College:

Coach's Name:

Coach's Email:

Coach's Phone Number:

Assigned Region (your home region based on location of your school):

Region you wish to compete in:

Distance from home regional event in miles and hours (based on Google Maps or similar capability):
